Port State Control

10 modules

START DATE 01/04/26

REGISTRATION END DATE 30/09/26

DURATION 12-18 MONTHS FROM THE COURSE START DATE

COURSE COMPLETION DATE APRIL 2027 OR OCTOBER 2027

WHAT YOU WILL LEARN

Shipowners, Masters and Flag States are responsible for ensuring that ships comply with the provisions of the relevant codes, practices and legislation. Therefore, ensuring these requirements are met and implemented effectively at sea is in the best interests of all maritime professionals, both onboard and ashore. Ships that fail to fulfil their commitments contained in agreed international legal instruments and subsequently sail in an unsafe condition, threaten lives as well as the marine environment. Therefore, it is in the interests of all to develop effective Port State interfaces for the sake of safe shipping.

This Diploma, has been tailored to educate you on the fundamental components of Port State Control. From SOLAS to the International Convention for the Prevention of Pollution from Ships (MARPOL), the International Ship and Port Facility Security (ISPS) Code, and the International Safety Management (ISM) Code.

WHO IS THE COURSE SUITABLE FOR?

Whether you are looking to move into the field of Port State Control, or already work within the industry, this diploma will provide a comprehensive knowledge base for your future career.

Terms & Conditions

THE COURSE

Teaching Method: Our courses are delivered by distance learning, unless otherwise stated.

COURSE DURATION:

Diploma and Certificate students will have a maximum of 18 months from the course start date to complete the modules and sit the exam.

Short Course students will have up to 6 months to complete their module(s).

COURSE MATERIAL

Course Language: Our courses are conducted entirely in English, in verbal and written format.

Delivery of Diploma and Certificate Modules:

1 module is released each consecutive month, from the start date (April/October). Each module is uploaded onto our student web portal, allowing students to access the material at any stage during their course.

The modules are available in a PDF format and students are able to download or print the material when required. Modules can be completed in any order, provided that all assignments are submitted no later than 6 weeks prior to the examination date.

Every effort will be made by the organisers to upload the modules monthly but they cannot be held liable for any delays resulting from unforeseen circumstances.

Presentation: The modules provide the foundational knowledge for the whole course which is designed to be self-contained. However, students are encouraged to deepen their understanding through additional sources.

Recommended Reading: A reading list will be provided where applicable.

Access: Course material is for personal study use only and may not be distributed without MTA's prior written permission.

Access to the course material will be given on receipt of payment. Any outstanding fees will also become payable on accessing the material.

STUDENT ASSIGNMENTS

Student Assignments: One included with each module. They are a compulsory element of the course and they must all be completed at least six weeks before the date of the final examination.

Self-Assessed Questions: Some modules contain self-assessment questions designed to help candidates consolidate their knowledge.

Studying Time: We recommend 10 to 30 hours study time per module, with additional time being set aside for completing the student assignments.

TUTOR SUPPORT

Tutorials: Students can choose to participate in a tutorial which will be held before the Diploma exams in April and October. Although this is not compulsory, many previous students have found the tutorials beneficial and an excellent opportunity to meet fellow students, the Course Director, authors and tutors.

Tutors and Authors: To support you during your studies, tutors and authors are available to help with any questions or technical queries by email and student forums.

ADMINISTRATION

For matters relating to enrolment, payment of fees, change of enrolment details, module mailings, please contact the Course Manager:
