

DIPLOMA IN

Shipbuilding & Ship Repair

2026/27 maritimetrainingacademy.com

Supported by:

Welcome

At the Maritime Training Academy, we help professionals across the industry take the next step in their careers.

Whether you're looking to upskill, specialise or advance, our flexible distance-learning diplomas are designed with your future in mind. With expert guidance and dedicated support, you'll gain practical, career-focused knowledge.

Our wide-range of diplomas cover subjects in the Superyacht, Shipping and Offshore industries, with subjects such as Superyacht Management, Yacht Brokerage, Maritime Law, Offshore Operations and many more – giving you the freedom to specialise in your chosen field.

Join thousands of students worldwide who are investing in their future with respected qualifications that open doors across the global maritime industry.

Why choose Maritime Training Academy?

LATEST INDUSTRY DEVELOPMENTS

Students have access to regularly updated course material, through our strong industry connections, ensuring their training reflects the latest changes and developments across the maritime sector.

LEARN AS YOU EARN

Most of our students study part-time while working full-time. This flexible approach allows you to fit your studies around your job and progress at your own pace. Gaining experience and qualifications simultaneously also demonstrates your commitment to career development.

OUTSTANDING TEACHING

Our study materials are developed by industry experts actively working in their specialist fields. We deliver exceptional teaching based on thorough research and many connections within the maritime sector. Our tutors are practising professionals with solid academic credentials and hands-on experience, bringing sector-specific skills directly to your learning.

INTERNATIONAL RECOGNITION

Our long-established distance learning courses are endorsed by industry associations and all of our diplomas are also recognised by the University of Portsmouth.

Maritime Training Academy

WORLD-CLASS LEARNING

What makes studying with us truly inspiring is not just what you learn, but how you learn. Our flexible distance learning fits around your lifestyle, whether you're at home, on board, or anywhere in the world. We connect you with engaging content and provide regular support from expert tutors, helping you stay motivated and confident. You'll be challenged to expand your understanding, question assumptions, and grow your skills – all through a world-class learning experience designed to fit your pace and goals.

EXCELLENT SUPPORT AND GUIDANCE

Throughout your studies, you'll receive dedicated support from your module tutors and the MTA support team. They are here to guide you, provide expert advice, and give comprehensive feedback on your coursework—ensuring you stay on track and confident every step of the way.

YOU ARE NEVER ON YOUR OWN

While you study independently, you'll never feel isolated. Connect with fellow students through online tutorials, forums, and social media groups, sharing experiences and building a global network that supports and motivates you throughout your learning journey.

“An excellent & informative course, led by experienced industry professionals who bring valuable real-world insight. I now feel more confident when visiting clients' yards & vessels.”

Werner – Director

Course Director

IAN BILES

Managing Director at Maritime Services International

Master Mariner, BEng (Hons), MA, CEng, CMarEng, DipMarSur, RYA Yachtmaster (Ocean), Eur Ing, FNI, MRINA, MIMarEST, MRIN, MSNAME, MIIMS, MSCMS, MHCMM, AMS (SAMS), MEWI

Ian has led MSI to become one of the world's leading surveying companies. He holds a range of qualifications, including Master Mariner, RYA Yachtmaster Ocean, a degree in Naval Architecture (BEng Ship Science), and a Master's in Business Management (MA Business Management).

In practice, Ian has worked on the construction of Moss Rosenberg gas tankers at Mitsui (Northwest Sandpiper) and Mitsubishi (Northwest Stormpetrel) shipyards in Japan. He was also part of a multidisciplinary team responsible for the life extension of the Technigaz Methania.

Shipbuilding & Ship Repair

12 modules

START DATE 01/04/26

REGISTRATION END DATE 30/09/26

DURATION 12-18 MONTHS FROM THE COURSE START DATE

COURSE COMPLETION DATE APRIL 2027 OR OCTOBER 2027

WHAT YOU WILL LEARN

This unique and exclusive Diploma will develop and deepen your knowledge of the Shipbuilding and Ship Repair sector. With this innovative course, you will gain the essential skills and knowledge required to enable you to successfully run and manage the building and repair process.

Module subjects include an array of challenging topics such as the specifications, docking and undocking processes and repairs to hull and machinery, alongside other essential subjects such as an introduction to the shipbuilding and ship repair industry, contracts and project management.

WHO IS THE COURSE SUITABLE FOR?

This course is for individuals wanting to take up a Superintendent's role, a position within a yard or to learn more about the issues faced in these roles. Ideal both for experienced professionals wishing to update their knowledge and those approaching this subject for the first time.

HOW THE COURSE WORKS

One module is released each consecutive month, from the April start date. Each module is uploaded onto our student web portal, allowing students to access the material at any stage during their course. The modules are available in a PDF format.

[CLICK HERE TO ENROL](#)

Course Fees

DIPLOMA – £3,195

This includes the module materials as PDFs, assignment and examination marking. Upon successful completion, a digital PDF certificate use of post-nominal letters and a course badge will be issued.

CERTIFICATE – £2,295

This includes the module materials as PDFs and assignment marking. Upon successful completion, a digital PDF certificate and course badge will be issued.

INDIVIDUAL MODULES

£250 – Module content only.

£400 – Module content, assessment and certification.

Extension Fee: If you are unable to complete the course in the 18 months allocated from the start date of the course, you can apply for a further 6-month extension for an additional fee of £250.

We offer re-registration onto the course for lapsed students at 50% of the course costs.

You will have the opportunity to resubmit any student assignments or carry any existing marks forward into the new academic year to be counted towards your final examination results.

Course Fees

EXAMINATIONS FOR DIPLOMA STUDENTS

Examinations are held twice a year, in April and October.

Further details, including dates and requirements, can be found at maritimetrainingacademy.com.

Students can choose to complete their final examination either online or as a handwritten paper at an approved examination centre.

ONLINE EXAMINATION – £125

Our online examination option offers flexibility and convenience, allowing you to sit your final 3-hour examination from any suitable location. You will need a laptop or desktop computer with a stable, fixed-line internet connection, along with a working microphone and camera. The online examination is invigilated remotely, and the fee is £125.

WRITTEN EXAMINATION

If you prefer to sit your examination as a handwritten paper, this must take place at an approved examination centre that meets the criteria set by our Training Department. Any fees charged by the chosen venue must be covered by the student. For those based in the UK, our centre in Gosport is available as an approved examination location.

RESITS

Resit Written Exams: You are entitled to resit your examination once, subject to payment of an additional fee of £250. Any additional expenses will need to be met by the student.

Resit Online Exams: You are entitled to resit your examination once, subject to payment of an additional fee of £375 (the £250 resit fee plus the £125 online examination fee).

Course Fees

PRINTED CERTIFICATE COMPLETION PACK

Printed Certificate (including courier fee) £75

Upon successful completion of a Diploma, Certificate or Short Course, all students will receive a digital PDF certificate.

But, if you want something extra special to mark your achievement you can now upgrade to our certificate completion pack!

The courier fee includes reliable, tracked delivery for both UK and international students. Please note that we are unable to deliver to PO Box addresses – contact us if you require an alternative delivery option.

COURSE BADGE

Upon successful completion of a Diploma, Certificate or Short Course, all students will receive an exclusive digital course badge for use on business cards, LinkedIn profiles and website(s)!

Please feel free to include this on your business cards, LinkedIn profile, and any other professional materials.

POST NOMINAL LETTERS

Upon completing the **Diploma** you will also be eligible to use the following post nominal letters after your name: MTA DIP SBR.

VAT

Will be added at the standard UK rate where applicable. Companies outside the UK may be entitled to reclaim VAT and need to contact their local tax authorities.

Course Syllabus

12 modules

1. AN OVERVIEW OF THE SHIPBUILDING AND THE SHIP REPAIR INDUSTRY

- Potential hazards in the yard – worst case scenario
- Vetting
- Basic factors affecting safety
- Accidents and incidents
- Insurance

2. SPECIFICATIONS

- Ship General
- Hull
- Equipment for Cargo
- Ship Equipment
- Equipment for crew
- Main machinery
- Systems for main machinery
- Ship systems
- Electric and automation systems
- Makers' list

3. SHIP REPAIR WORK TO HULL AND MACHINERY (I)

- Preparing for a routine planned docking period
- The importance of planning and scheduling
- Typical types of ship repair undertaken
- Routine maintenance in dock
- Health and safety issues
- Cleaning and preparation for hot work
- Access to the work site
- Security issues
- Principal ship dimensions and glossary of terms

4. SHIP REPAIR WORK TO HULL AND MACHINERY (II)

- Steel renewal and repair
- Blasting and painting
- Machinery maintenance and repair work
- Propeller, rudder and stern tube work
- Security issues
- Principal ship dimensions and glossary of terms

Course Syllabus

12 modules

5. PROJECT MANAGEMENT

- Project phases
- Work breakdown structure
- Objectives
- Deliverables
- Project planning
- Budgeting and Financial planning
- Risk management
- Issue management
- Configuration management
- Quality management
- Project monitoring and reporting
- Change control
- Project library

6. SHIPBUILDING YARDS AND THE NEW BUILDING PROCESS

- The main shipbuilding areas of the world
- Different construction methods
- The design and planning stage
- Ship design
- Main machinery
- Auxiliary machinery
- Build planning
- Pre-production
- Production pre-requisites
- Hull / unit fabrication
- Ship construction
- Fitting out
- Completion and handover

7. CONTRACTS

- Introduction to English law
- The law of contract
- The law of tort (negligence)
- Liability in contract and tort
- Responsibilities
- Admiralty law and Jurisdiction
- International maritime law
- Governmental control of shipping (UK)
- The nature of contract
- Pre-contract consideration

- Important contract standard terms
- Default
- The Contract
- BIMCO forms
- Ship conversion contracts
- Table of cases

8. THE DOCKING PROCESS

- Ship and dock preparations, establishing clear communications
- Physical inspection of the vessel
- Readiness of personnel, gear and support services
- Special conditions – damaged, listed or trimmed
- The deflection plane and critical stages in the docking process
- Checklist of a typical docking procedure

Course Syllabus

12 modules

9. LAY PERIOD IN DOCK

- The superintendent's role
- The yard agenda
- In the beginning...
- The venue
- Weather
- Coatings
- Assignment of responsibilities
- Safety and security
- Health & safety and control of the work force
- Work flow organisation and multiple work forces
- Cost control
- Reporting

10. UNDOCKING

- Weight control and the influence on stability
- Pre-undocking checks on board
- Final dock checks before flooding
- Ballasting and flotation of the ship
- Safety checks before departure
- Departure from the dock
- De-ballast and dock inspection

11. SPECIAL DOCKING SITUATIONS

- Unusual and particular ship types – challenges and solutions
- Multiple dock utilisation and coordination
- Extreme overhangs
- Damaged vessels
- Jumboising a vessel

12. SUMMARY OF THE SHIPBUILDING AND SHIP REPAIR INDUSTRY

- An introduction to the worldwide shipping industry, cargo moved by weight, volume and value
- The difference between shipbuilding and ship repair and why yards are different
- Yard locations and the major considerations in choosing a yard
- Effects of weather extremes on different yards (heat, humidity and cold)
- Labour force, skills and management
- Different types of docks available

70+

countries around the world have maritime professionals enrolled on our courses, all benefiting from MTA's experience and industry expertise.

50

industry-specific courses offered across sectors such as engineering, management, shipping, and operations.

50+

expert authors contribute to MTA's courses – practising industry professionals who share their valuable knowledge to support and guide our students.

4877

students have enrolled on MTA's industry-endorsed distance learning courses, building their knowledge and advancing their maritime careers.

24

years of Maritime Training Academy helping professionals around the world advance their careers through expert knowledge and first-hand maritime experience.

Terms & Conditions

THE COURSE

Teaching Method: Our courses are delivered by distance learning, unless otherwise stated.

COURSE DURATION:

Diploma and Certificate students will have a maximum of 18 months from the course start date to complete the modules and sit the exam.

Short Course students will have up to 6 months to complete their module(s).

COURSE MATERIAL

Course Language: Our courses are conducted entirely in English, in verbal and written format.

Delivery of Diploma and Certificate Modules:

1 module is released each consecutive month, from the start date (April/October). Each module is uploaded onto our student web portal, allowing students to access the material at any stage during their course.

The modules are available in a PDF format and students are able to download or print the material when required. Modules can be completed in any order, provided that all assignments are submitted no later than 6 weeks prior to the examination date.

Every effort will be made by the organisers to upload the modules monthly but they cannot be held liable for any delays resulting from unforeseen circumstances.

Presentation: The modules provide the foundational knowledge for the whole course which is designed to be self-contained. However, students are encouraged to deepen their understanding through additional sources.

Recommended Reading: A reading list will be provided where applicable.

Access: Course material is for personal study use only and may not be distributed without MTA's prior written permission.

Access to the course material will be given on receipt of payment. Any outstanding fees will also become payable on accessing the material.

STUDENT ASSIGNMENTS

Student Assignments: One included with each module. They are a compulsory element of the course and they must all be completed at least six weeks before the date of the final examination.

Self-Assessed Questions: Some modules contain self-assessment questions designed to help candidates consolidate their knowledge.

Studying Time: We recommend 10 to 30 hours study time per module, with additional time being set aside for completing the student assignments.

TUTOR SUPPORT

Tutorials: Students can choose to participate in a tutorial which will be held before the Diploma exams in April and October. Although this is not compulsory, many previous students have found the tutorials beneficial and an excellent opportunity to meet fellow students, the Course Director, authors and tutors.

Tutors and Authors: To support you during your studies, tutors and authors are available to help with any questions or technical queries by email and student forums.

ADMINISTRATION

For matters relating to enrolment, payment of fees, change of enrolment details, module mailings, please contact the Course Manager:

T: +44 (0)1252 739779

E: courses@maritimetrainingacademy.com

EXAMINATION

Examinations will be held in **October** and **April**.

A 6-month extension is available upon application.

Examination Length: Three-hour written or online examination. All exams are Closed Book.

Sitting Overseas: Students must arrange an approved exam venue through the Course Administration Office at least 6 weeks before their examination date. Any additional expenses incurred will need to be met by the student.

Alternatively, students can sit the examination online instead of at an approved venue. They will need either a laptop or desktop computer with a reliable, fixed line internet connection, together with a working microphone and camera.

Online Examination: For a fee of **£125** Diploma students can choose to sit their final examination online instead of at an approved venue.

Certificate: Students who successfully complete the compulsory student assignments, but do not take the examination, will receive a digital certificate if they successfully achieve the required grades to pass.

THE MARKING STRUCTURE

DIPLOMA AND CERTIFICATE:

Assignments: Constitute 27% of the final mark.

Examination: Constitutes 73% of the final mark.

Pass Mark: For the Diploma written examination is 75%. For the student assignments a minimum mark of 40% is required.

SHORT COURSES:

Examination: Constitutes 100% of the final mark.

Pass Mark: A minimum mark of 70% is required.

Terms & Conditions

COURSE FEES

Diploma Fee: £3,195. This includes the module materials as PDFs, assignment and examination marking. Upon successful completion, a digital PDF certificate use of post-nominal letters and a course badge will be issued.

Certificate Fee: £2,295. This includes the module materials as PDFs and assignment marking. Upon successful completion, a digital PDF certificate and a course badge will be issued.

Short Course Fee: £295. Most short courses consist of one module* and have between 10-20 multiple choice assessment questions. Upon successful completion, a digital PDF certificate and a course badge will be issued.

Online Examination: For a fee of **£125** Diploma students can choose to sit their final examination online instead of at an approved venue.

Certificate Completion Pack: On successfully completing the course students will receive their Certificate via email. A Certificate Completion Pack can be posted for a fee of **£75**.

Printed Modules Fee: In addition to the course PDFs, we also offer students the option of purchasing the modules in a hard copy format. Please note, this option is **NOT** mandatory in order to complete the course. The printed modules option is charged at an additional fee of **£500**, and modules are sent out every 3 months.

Air Courier Fee: For an additional fee of **£375**. Recommended for candidates in areas experiencing problems with their postal system. Other overseas mail will be sent by airmail only.

Extension Fee: If you are unable to complete the course in the 18 months allocated from the start date, you can apply for a further 6-month extension for an additional fee of **£250**.

Reregistration Fee: We offer reregistration onto the course for lapsed students at 50% of the course costs. You will have the opportunity to resubmit any student assignments or carry any existing marks forward into the new academic year to be counted towards your final examination results.

Resit Written Exams: You are entitled to resit a written examination once, subject to payment of an additional fee of **£250**. Any additional expenses will need to be met by the student.

Resit Online Exams: You are entitled to resit an online examination once, subject to payment of an additional fee of **£375** (the **£250** resit fee plus the **£125** online examination fee).

Not included in the fees: Any travel or food costs or accommodation if required. Any expenses which may be incurred in arranging a suitable examination venue.

Discounts: Available for group registrations. Please contact MTA for details.

T: +44 (0)1252 739779

E: courses@maritimetrainingacademy.com

VAT: Will be added at the standard UK rate where applicable. Please contact us for details.

Reclaiming VAT: Companies outside the UK may be entitled to reclaim VAT and need to contact their local tax authorities.

PAYMENT PLAN

Please contact us to discuss whether the Diploma and Certificate course fees can be split into smaller instalments.

PAYMENT METHODS

Payment: Payment must be made upon application by bank transfer or credit card. Fees will be refunded in full should applications be declined.

Bank Transfer: MPI Group bank account, National Westminster Bank, 19 Shaftsbury Avenue, London, W1A 4QQ, UK

Account Number: **06532381**

Sort Code: **56-00-29**

Credit Card: Payment can be made securely via the Sagepay link on the invoice or we can arrange for our accounts team to process card payments over the phone.

CANCELLATION POLICY

Cancellations can only be made in writing before the start date of the course. Course fees, less an administrative charge of £500, will be refunded. After the start of a course the student becomes liable for all course fees due.

Course content is subject to change at the discretion of the Course Director.

DATA PROTECTION

We record your personal information when you contact us and use this to manage registration, study, examination and other services. When you register, we will tell you more about how we process and use your personal information.
